RICE

# RICE

**Bio Rice White**  
500g and 2,5kg

Natural product produced with bio farming. Produced as a result of innovation and respect for the environment.

**Bio Brown Rice**  
500g and 2,5kg

**1. Parboiled - Extra Long**  
1kg and 5kg

The parboiled rice is treated with steam which makes it more resistant to baking and gives its golden tone. Easy to use and always “al dente”

**2. Agulha**  
1kg and 5kg

Narrow and long, this rice always results in loose rice after cooking. The reason is its resistance to cooking. Great for any dish, but in particular to prepare cold salads.

**3. Carolino**  
1kg and 5kg

Its Portugal’s Favorite rice. There’s no rice like it, that absorbs the ideal quantity of flavor and releases the necessary gum to give consistency tasted in our traditional “Arroz de Cabidela”

**1. Risotto**  
500g and 2,5kg

This rice is grown in Portugal with an high level of quality. Its and excellent choise for risotto dishes or to use your imagination. It can be added with all the ingredients *Bella Italy* at your table!

**2. Basmati**  
500g and 2,5kg

From the colourful country of India we get the prince of rices. White as snow is ideal for exotic dishes or just as side dish. This is grown by hand where you can find plenty of water.
